Beautiful home in Bridgefield Estate, Olympus

Exclusive Mandate

This three-bedroom home showcases a distinctive blend of natural textures and warm tones, with a pitched metal roof and exposed timber trusses giving it character and presence. Earthy exterior walls are complemented by brick accents around windows and pillars, adding depth to the façade. Lush, established trees and neatly maintained garden beds wrap around the home, creating privacy and softening the edges of the structure. Large windows and glass doors allow for plenty of natural light and connect the interior to the surrounding greenery. At the entrance, a paved courtyard leads to a welcoming covered patio. Around the corner, a well-designed outdoor area includes a built-in firepit, prep counter, and privacy screening—ideal for entertaining or relaxed evenings outdoors.
